

# SDM DEALER | OF THE | YEAR

nomination form

**SDM's Dealer of the Year award is the magazine's highest honor, bestowed upon one deserving security company each year since 1980.**

The **SDM Dealer of the Year** award program is open to all companies in the security industry, regardless of their size or market niche. Here's your chance to enter and compete among the finest businesses in the electronic security industry. In addition to the main award, *SDM* will also recognize Dealer of the Year Honorees, which demonstrate excellence, unique characteristics and a commitment to the industry.

If your firm meets or exceeds the preliminary criteria, then complete the form below and return it to *SDM*. You may use this application to nominate your own company or another dealer.

**To be considered as a Dealer of the Year candidate, your company must:**

- have been in business at least three years as of May 30, 2008.
- be in the business of selling and installing electronic security and related systems to residential and/or commercial markets.
- derive more than 50 percent of its revenue from the sale, lease, installation, service, and/or monitoring of these systems.

If your company meets or exceeds these qualifications, complete and return the nomination form below so it arrives in *SDM's* office **no later than July 1, 2008**. After receiving your completed nomination form, *SDM* will send you a detailed questionnaire asking about your company's background and operations.

The winning company will be expected to be available for an interview and photo shoot by September 30, 2008. The formal announcement and a feature article profiling the winning Dealer of the Year and the Dealer of the Year Honorees, will appear in *SDM's* December 2008 issue.

## Nomination Form
