

SDM

SYSTEMS INTEGRATOR OF THE YEAR award

Recognizing the achievements and qualifications of an expert security systems integrator in 2008!

The **SDM** Systems Integrator of the Year award program is open to all companies in the systems integration industry, regardless of their size or market niche. This is your chance to compete among the finest businesses in the security systems integration industry.

SDM's Systems Integrator of the Year Nomination Form

Company Name _____

Address _____

City _____

State _____ Zip _____

Web Site _____

Contact Person _____

Telephone _____

E-mail _____

I hereby certify that this company meets or exceeds the criteria stated for nomination as **SDM's** Systems Integrator of the Year.

Signed _____ Date _____

If your firm meets or exceeds the preliminary criteria, then complete the form below and return it to **SDM**. You may use this form to nominate your own company or another systems integrator.

To be considered as a Systems Integrator of the Year candidate, your company must:

- Have been in business for at least three years as of January 1, 2008.
- Be in the business of selling, designing, and installing access control, video surveillance, and/or electronic integrated security systems.
- Derive more than 50 percent of its revenue from the engineering/design, installation and/or service of these systems.

If your company meets or exceeds these qualifications, complete and return the nomination form below so it arrives in **SDM's** office **no later than May 5, 2008**. After receiving your completed nomination form, **SDM** will send you a detailed questionnaire which will be **due on June 23, 2008**.

The formal announcement and a feature article profiling the winning **SDM** Systems Integrator of the Year will be published in **SDM's** November 2008 issue. Additionally, runners-up will be profiled briefly as honorees.

Please mail or fax the completed nomination form to:
