ON-THE-GO TOOLS WHEN YOU NEED THEM

MPower Me is the mobile edition of MPower, and is designed with the tools to empower your field personnel such as installers, technicians, and inspectors. Your technician, for instance, can place an account on test *in just 15 seconds*, watch the signals they send in real time, and then take the account off test in about 5 seconds - *all without making a single phone call*.

When you are away from your office, it can be difficult to provide customer service without the right information. With MPower Me, your entire account base, along with up-to-date activity, zone descriptions, and all of the information you need to properly service your customers is instantly available at your fingertips.

MPower is free to all dealers. Both the mobile and full (for tablets/computers) versions are intuitive and extremely easy to use. For more information please visit copsmonitoring.com/mpower
